

NEXUS ENTERPRISE SOLUTIONS - HUMAN RESOURCES POLICY MANUAL

Document Code: HR-2026-V1.4

Effective Date: January 1, 2026

1. ANNUAL LEAVE ALLOCATION & MATURITY

All full-time permanent employees at Nexus Enterprise Solutions receive a baseline allocation of 24 paid annual leave days per calendar year. Leave accrues monthly at a rate of exactly 2.0 days per completed month of service. Employees undergoing their initial 90-day probationary period accrue leave but are not permitted to utilize it until full permanent status is ratified by their department head. Unused annual leave up to a maximum of 10 days can be carried forward into the subsequent calendar year; any additional accrued, unused balance exceeding 10 days on December 31st is automatically forfeited without financial compensation.

2. MATERNITY, PATERNITY, AND PARENTAL LEAVE POLICY

Nexus is committed to supporting expanding families.

- Maternity Leave: Female employees are eligible for 26 weeks of fully paid maternity leave. This leave can commence up to 8 weeks prior to the expected date of delivery.
- Paternity Leave: Male employees are eligible for 4 weeks of fully paid paternity leave, which must be utilized within 12 weeks of the child's birth.
- Adoption Leave: Employees adopting a child under the age of 5 are eligible for 12 weeks of fully paid adoption leave.

3. WORK FROM HOME (WFH) & INTERNET ALLOWANCE

Under the Nexus Hybrid Work Framework, employees are permitted to work remotely up to 3 days per week, subject to team coverage schedules. To support remote infrastructure, the company provides a monthly internet and utilities stipend. The standard stipend is fixed at ₹2,500 per month for associate and senior engineer grades. For lead engineers, managers, and directors, the monthly stipend is increased to ₹4,200 to account for higher data bandwidth requirements dictated by continuous cross-regional video conferencing. Stipends are disbursed automatically along with the monthly payroll cycles.

4. HEALTH INSURANCE AND WELLNESS BENEFIT PREMIUMS

The corporate group health insurance plan covers the employee, spouse, and up to two dependent children under the age of 21. The baseline sum insured is ₹5,00,000 per family unit. Employees can opt to top up their coverage to ₹10,00,000 by executing a monthly payroll deduction. For an associate, the top-up premium deduction is ₹850 per month. For a senior engineer, the top-up premium is ₹1,200 per month. For a lead engineer or manager, the top-up premium is ₹1,950 per month. The company fully subsidizes an annual diagnostic health screening valued at ₹3,500 per employee, which must be redeemed at an empaneled network hospital.
